If there is missing information on the application form or the proof of payment does not meet the specifications, the Club reserves the right to not to process the application without providing any notice. The Club shall not be held responsible in case the student's application is unsuccessful for this reason.
- All fees required for enrolment must be successfully paid before the start of the swimming courses, otherwise the Club reserves the right to deem the application forfeited. The Club also reserves the right to deny the students attending lessons should there be any unpaid fees.
- The Club reserves the right to reject any applications submitted after the courses have started. If the Club accepts such applications, the students must pay the full cost of the courses.
- All students enrolled in the Nursery and Children Course, Children Course, Adults Course and Swimming Team Prep Course in the previous term must submit an application and pay the fees by the old student enrolment deadline, and the Club will accept students in the "first come, first serve" manner due to the limited quota of places of each swimming course; otherwise the Club will process their applications as for new students. All new students enrolling in the Nursery and Children Course, Children Course, Adults Course and Swimming Team Prep Course must submit an application by the new student enrolment deadline. Applications submitted or payments made after the enrolment deadline may cause delayed processing which results in failed application, which the Club shall not be responsible for.
- All students enrolled in the Beginners Prep Course, Nursery Course and Four Style Improvement Course in the previous term will be given priority in acceptance when they reapply to the same class and pay the fees by the old student enrolment deadline. All new students applying to the Beginners Prep Course, Nursery Course and Four Style Improvement Course must submit an application by the new student enrolment deadline and their acceptance will be decided by lottery. Applications submitted or payments made after the enrolment deadline may cause delayed processing which results in failed application, which the Club will not be responsible for.
- The Club will individually notify by phone (or partly by SMS) the enrolment status of students who have applied for the Beginners Prep Course and Nursery Course three days prior to the start of the course. For the enrolment before the enrolment deadline of the Nursery and Children Course, Children Course, Adults Course and Swimming Team Prep Course, the Club will notify the enrolment status of students who have applied for the Swimming Course three days prior to the start of the course by SMS.
- If the students are not accepted to their 1st preferred class, the Club will individually contact the students three days prior to the start of the 1st preferred class to confirm the lesson times of their 2nd and 3rd preferred classes to assist in order to arrange time for lessons.
- If an application is unsuccessful, the Club will handle the submitted fees according to the student's will. If the student requires a refund, the Club will mail a cheque to the student's address stated on the application form within 30 working days after the start of the class the student applied to.
- If a student does not meet the requirements for the course he/she is enrolled in (e.g. insufficient level of swimming skill) as confirmed by the coach during the first lesson, the Club will switch the student to an appropriate course. The student should pay the difference in fees. If the new course costs less than the original course, the Club will handle the exceeding amount according to the student's will. The student may withdraw from the course if he/she is not satisfied with the course switched. A cheque carrying a partial refund for the remaining lessons will be mailed to the student's address stated on the application form within 30 working days.
- If there are any extraordinary circumstances, the Clubs reserves the right to change the coaches, class times and locations.
