Enrolment and Student Model Code

Enrolment and Acceptance:

- All students who intend to apply (whether new or old) must fill in all information in the application form and submit a proof of payment which meets the specifications (check or bank deposit receipt; please refer to the "How to apply" section on the application form). If there is missing information on the application form or the proof of payment does not meet the specifications, the Club reserves the right to not to process the application without providing any notice. The Club shall not be held responsible in case the student's application is unsuccessful for this reason.
- All fees required for enrolment must be successfully paid before the start of the swimming courses, otherwise the Club reserves the right to deem the application forfeited. The Club also reserves the right to deny the students attending lessons should there be any unpaid fees.
- The Club reserves the right to reject any applications submitted after the courses have started. If the Club accepts such applications, the students must pay the full cost of the courses.
- All students enrolled in the Nursery and Children Course, Children Course, Adults Course and Swimming Team Prep Course in the previous term must submit an application and pay the fees by the old student enrolment deadline, and the Club will accept students in the "first come, first serve" manner due to the limited quota of places of each swimming course; otherwise the Club will process their applications as for new students. All new students enrolling in the Nursery and Children Course, Children Course, Adults Course and Swimming Team Prep Course must submit an application by the new student enrolment deadline. Applications submitted or payments made after the enrolment deadline may cause delayed processing which results in failed application, which the Club shall not be responsible for.
- All students enrolled in the Beginners Prep Course, Nursery Course and Four Style Improvement Course in the previous term will be given priority in acceptance when they reapply to the same class and pay the fees by the old student enrolment deadline. All new students applying to the Beginners Prep Course, Nursery Course and Four Style Improvement Course must submit an application by the new student enrolment deadline and their acceptance will be decided by lottery. Applications submitted or payments made after the enrolment deadline may cause delayed processing which results in failed application, which the Club will not be responsible for.
- The Club will individually notify by phone (or partly by SMS) the enrolment status of students who have applied for the Beginners Prep Course and Nursery Course three days prior to the start of the course. For the enrolment before the enrolment deadline of the Nursery and Children Course, Children Course, Adults Course and Swimming Team Prep Course, the Club will notify the enrolment status of students who have applied for the Swimming Course three days prior to the start of the course by SMS.
- If the students are not accepted to their 1st preferred class, the Club will individually contact the students three days prior to the start of the 1st preferred class to confirm the lesson times of their 2nd and 3rd preferred classes to assist, in order to arrange time for lessons.
- If an application is unsuccessful, the Club will handle the submitted fees according to the student's will. If the student requires a refund, the Club will mail a cheque to the student's address stated on the application form within 30 working days after the start of the class the student applied to.
- If a student does not meet the requirements for the course he/she is enrolled in (e.g. insufficient level of swimming skill) as confirmed by the coach during the first lesson, the Club will switch the student to an appropriate course. The student should pay the difference in fees. If the new course costs less than the original course, the Club will handle the exceeding amount according to the student's will. The student may withdraw from the course if he/she is not satisfied with the course switched. A cheque carrying a partial refund for the remaining lessons will be mailed to the student's address stated on the application form within 30 working days.
- If there are any extraordinary circumstances, the Clubs reserves the right to change the coaches, class times and locations.

Arrangements for Leave of Absence and Making up Missed Lessons:

- No make-up lessons are allowed for the "Swimming Team Prep Course". Students in all other courses may apply for one make-up lesson for every five lessons (e.g. if there are six lessons for a swimming course, one make-up lesson is allowed; or if there are 13 lessons for a swimming course, two make-up lessons are allowed; and so forth.)
- There is no make-up lesson for the first lesson of all swimming courses.
- Should the student apply sick leaves, a valid medical certificate must be provided on the day of lesson. The medical certificate is valid within three days of the absent lesson. For excused leaves, the student must make a request to the class assistant or manager residing at the swimming pool fourteen days prior to the leave. The Club reserves the right to not to process any requests for leaves and make-up lessons submitted less than fourteen days prior to the leave and the student will be deemed absent without authorization and not be given any make-up lessons.
- The Club will arrange for lessons at appropriate skill level for students as make-up lessons. Students may inquire and make arrangement with the swimming pool manager or assistant regarding issues of make-up lessons. Student must complete all the make up lessons in the same term. If the student is unable to take the make-up lessons (e.g. failure to arrange a schedule etc.) or unable to finish the make-up lessons within the same term, the Club reserves the right to deem that the student has renounced the make-up lessons and not make further arrangement of make-up lessons.
- If the student is absent for a make-up lesson, he/she is deemed to have renounced the make-up lesson and the Club will not arrange to make up for the same lesson twice.
- All arrangements for make-up lessons are not alterable once confirmed.
- All leaves of absence will be handled in the manner of make-up lessons. No refund shall be made for missed lessons.
- If any students are unable to attend lessons for a short period of time (usually 2 weeks or more) due to serious illnesses or physical injuries (students must submit doctor's certificate for proof), they may request a suspension within a week of the issuance of the doctor's certificate. The Club will arrange the students to resume lessons when they have recovered from the illnesses or injuries, provided that the first resumed lesson must be attended within a month after the student's recovery.

Arrangements for Assessments:

- There will be no assessments for courses with less than eight lessons.
- The Club will reserve the right to change the dates of assessments and inform students of such changes during lessons.
- The Club reserves the right not to hold make-up assessments for students who are absent or take leave of absence during assessment days.
- Starting from the 1st July 2014, the Club will distribute a "Progress Assessment Report" to students instead of the previous progress report or certificate, and the "Progress Assessment Report" will also show the student's exam results.
- The Club will issue a "Progress Assessment Report" at the last lesson of the course. Students who are absent or take leave of absence on that day shall obtain the "Progress Assessment Report" at the swimming pools within six months after the end of the course.

The student must pick it up personally at the Club office or the swimming pool. Student is also optional to obtain the certificate by post (Surface Mail), and the Club will collect a processing fee of HKD 150.
- If the assessment results are satisfactory, the Club will recommend the student to join Win Tin Swimming Team for further training.
- Starting from 1st July 2014, if the student would like to obtain the certificate, the Club will collect an administration fee of HKD 30 for each certificate and student should pick it up personally at the Club office or the swimming pool. For obtaining the certificate by post (Surface Mail), the Club will collect an administration fee of HKD 50. For the sake of processing the certificate application, students must submit the certificate application form together with the application fee to the Club office or to submit them personally to Club staff at the swimming pool. The Club will take two working weeks to handle the application.
